Routine Food Reinspection #1

Robert Pyles
McDonald's
7130 N 76th St
Milwaukee, WI

2/15/2013

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
	No Violations to Report	

Notes:

For an alternative solution for employee beverages, it was discussed with Daniela the store manager that perhaps shelves/bins could be installed by the drive thru near the fire extinguisher and by the back hand sink. This way employees have a place for their drinks. In no way should the designated places be over or adjacent to food prep areas or cooking equipment. Label area.

On 2/15/2013, I served these orders upon Robert Pyles by leaving this report with
