## Routine Food Inspection

GILBERT STUART SCHOOL  
GILBERT STUART SCHOOL  
7001 N 86TH ST  
MILWAUKEE, WI 53224

November 15, 2007

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

**Fee Amount: \$0.00**

Code Number	Description of Violation	Correct By
No Violations to Report		

### Inspection Notes

Notes: Leave the left basin at the 2 compartment warewash sinks empty until washing utensils/equipment. This sink needs to be empty for hand washing. Employees must wash hands before putting gloves on and wash hands immediately after removing gloves. All student helpers are also required to wash their hands immediately before and after using gloves.

Recommendations: Install an "add a faucet" to the dump sink sprayer arm at the dish machine. Also install soap and a single use towel dispenser at that location for hand washing. This hand sink needs to be available for handwashing in the case that the staff is using the 2 compartment sink for warewashing. At future inspections, if the 2 compartment warewash sinks are not left empty during the lunch period and the service of students, a hand sink or an "add a faucet" will be required to be installed.
