Routine Food Inspection

Excel Learning Academy, Inc.
Excel Learning Academy
8634 W Brown Deer Rd
Milwaukee, WI 53224

January 15, 2008

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Fee Amount: \$0.00

Code Number	Description of Violation	Correct By
	No Violations to Report	

Inspection Notes

School is a receiving kitchen. Receives food on the third floor, plates the food and carts it down to the first floor for serving. Students are served at their desk.

No dishes/utensils are washed on location. All dishes/trays/utensils are sent back to the caterer for cleaning.

Ensure that temperatures are being taken as soon as the food arrives and right before serving. Ensure that the caterer is also taking temperatures of food before delivering and right at dropoff. Anything hot must be at least 135F or above and anything cold must be 41F or below.

Place the disposable towels in the towel dispenser to prevent contamination to the towels. This will also eliminate contamination to hands from having to open drawers to get to the towels.

Provide pump soap dispensers instead of using the large bottle of dish soap. This will provide a more convenient way of retrieving soap for hand washing.
