Routine Food Inspection

Reinspection #1

January 25, 2008

K&Z, Inc.
Citgo 107
8632 N 107th St
Milwaukee, WI 53224

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Fee Amount: \$78.00

Code Number	Description of Violation	Correct By
12-201.11(C)	The certified food manager certificate is not posted on site. Post the state issued CFM certificate on site at all times. Ensure that all employees know where the certificate is posted and is able to produce it to MHD upon request.	01/08/2008
4-501.116	The concentration of the bleach sanitizer in the sanitizer bucket is too strong. Provide test strips and ensure that all employees test the concentration before using. The concentration needs to be between 50ppm and 100ppm. **This concentration also applies to the concentration to be used at the ware wash sinks**	02/01/2008
3-306.11	The door shield for the hot dog display/warmer is not approved. To prevent contamination to food from self serving customers, the shield needs to be repaired/installed so that it cannot completely open. Properly install or repair the hotdog warmer/display case door to code.	02/01/2008

Inspection Notes

Notes: Clean up the old mouse droppings in the back area. Sanitize the area. Monitor the area for new droppings. Provide pest control if necessary.
