The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
2-301.14	Observed an employee changing gloves without washing their hands. Hands must be washed immediately before putting gloves on and immediately after taking gloves off. Instruct all employees to wash their hands after taking off gloves and prior to putting gloves on.	4/16/2008
3-304.12	Observed a few used ice cream scoops being stored in a dipper well without running water. Ice cream scoops must be stored in running water in between use. Store ice cream scoops in running water (turn on the dipper well faucet).	4/16/2008
4-602.11	Observed dirty knives being stored in the knife rack in the back produce area. Food contact utensils must be thoroughly cleaned and sanitized before they can be stored away. Clean and sanitize the knives before placing them back in the knife rack.	4/16/2008
5-402.11	The ice bin waste drain at the waitstation near the kitchen entrance does not have an air gap installed. All ice water drains must be installed with an air gap to prevent waste backflow back into the ice bin. No backflow preventer is installed on the mop sink. Properly install a backflow preventer on the mop sink faucet.	4/16/2008
