Routine Food Inspection

WILLIAM GEORGE BRUCE SCHOOL
WILLIAM GEORGE BRUCE SCHOOL
6453 N 89TH ST
MILWAUKEE, WI 53224

March 7, 2008

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Fee Amount: \$0.00

Code Number	Description of Violation	Correct By
	No Violations to Report	

Inspection Notes

There is no handwash sink available in the dish machine room. Install an "add a faucet" to the sprayer arm for handwashing. Also install a soap dispenser and a towel dispenser in the dishmachine room. The dishwasher must wash and dry their hands after touching dirty dishes/equipment/utensils and before touching or handling clean dishes/trays/equipment. Add a Faucet, soap dispenser, and towel dispenser to be installed by next inspection (Fall 2008).

Discontinue storing the disposable food trays in the restroom. All food contact items/utensils/equipment cannot be stored in the restroom.

Replace the ceiling tiles above the NE corner in the dry storage area and clean out the air vent so that dust does not blow onto napkin, cups, or other food items being stored on the shelves.

Instruct all employees to place all personal food (includes beverages) in a designated location away from and below all school food.

Remind all staff that any washing of fruits and vegetables must be done using a colander and must only be done in the sanitizing bin at the 3 compartment sink. Fruits and vegetables may not be washed anywhere else.
