Routine Food Inspection

Reinspection #1

DIAMONDBACK MANAGEMENT INC.
TUMBLEWEED SOUTHWEST GRILL
10950 W GOOD HOPE RD
MILWAUKEE, WI 53224

July 11, 2007

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Fee Amount: \$78.00

Code Number	Description of Violation	Correct By
4-601.11	The large ice machine has buildup of mold inside. Clean and sanitize the interior of the ice machine frequently to prevent mold buildup. The soda holster at the waitstaff station next to the bar has mold buildup inside of the cup. Clean and maintain clean the soda holster cup. There are several wine glasses that are being stored with lipstick residue on them. Instruct employees to thoroughly clean and sanitize each glass to ensure that no lipstick residue remains.	07/18/2007
3-304.12	Observed ice scoops being stored inside of the ice bins in the bar area and the waitstaff area next to the bar. All ice scoops must be stored on a clean dry surface (ie: a tray) or be stored with the handle sticking up out of the ice. Discontinue laying the ice scoops inside of the ice bins and apply one of the mentioned methods for storing the ice scoop between use.	07/18/2007
4-501.11	The hot water handle at the hand sink next to the dish machine is broken. Repair the handle so that hot water is available for hand washing.	07/18/2007
4-301.14	The hood system for the dish machine is not capturing the steam from the dish machine correctly. Condensation and mold is present on the ceiling tiles in the area where the hood is not capturing. Have the hood checked and repaired so that it will capture the steam from the dish machine. Clean or replace the moldy tiles above the dish machine.	07/18/2007
