RESTRICTION:

Inspector noticed 2 other dishwashers by the service area today along with the regular one in the break room. There was no way to verify that the 2 Bosch dishwashers are sanitizing completely other than a light popping on. Inspector called Bosch company on site and these 2 dishwashers are not made for commercial use. You can either do:

1. Use the Insinger commercial dishwasher to do all the dishes
2. The caterer has to supply the dishes and take them back to clean OR
3. You can use the 2 Boschs dishwashers to wash but then you have to manually dip all the dishes and silverware into a sanitizing solution and air dry.

Insinger dishwasher passed at 160.7F
