The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

| Code Number | Description of Violation  | Correct By |
|-------------|---|------------|
| 2-301.14    | Employee took off old gloves and put on new gloves without washing their hand. Hands must be washed and dried immediately before putting on new gloves and immediately after taking gloves off. Instruct all employees to follow the correct hand washing procedure when using gloves.  | 9/12/2008  |
| 3-501.16    | Chicken located on the top portion of the prep cooler is being stored at a temperature of 48F-51F degrees. All potentially hazardous foods being held cold must be at a temperature of 41F degrees or below. Adjust the cooler temperature and/or limit the amount of chicken being stored in the cooler at one time. If possible, also provide a cover to help keep the chicken temperature at 41F degrees or below. Monitor temperatures periodically and ensure that all cold hold foods are at a temperature of 41F degrees or below. | 9/12/2008  |
| 4-602.11    | The filters located in the cabinet underneath the soda dispenser states that the filters are required to be changed March 23, 2008. The filters are now overdue for changing. Have the filters changed and marked with either a filter change date or the next date the filters are to be changed.  | 9/12/2008  |
| 6-301.11    | There is no soap available for handwashing at the prewash/warewash sink at the 4 compartment sink. All handsinks are required to have soap available for handwashing at all times. Supply hand soap at the prewash/handwash sink. Monitor and refill immediately when empty.  | 9/12/2008  |
