The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
3-401.11	Gyro meat left on unit with only the pilot lights on. When a gyro cone is on the unit, the food must be constantly cooked until it is gone.	6/8/2010
3-501.16	Temperature of the sliced tomatoes in the front prep cooler measured at 52 degrees F. The three door cooler in the back measured at 46 degrees F. Cold hold all potentially hazardous foods at 41 degrees or less. Repair or adjust the coolers to maintain the proper temperature.	6/8/2010
4-501.11	Water is pooling on the floor, coming from the Coke cooler. Repair the machine so that water does not leak from the unit.	6/8/2010
4-903.11	Several "used" pieces of the blue shop towels being used by the back handwashing sink are being stored on top of the dispenser for further use. These towels are single-service items meant for one time use only. Do not reuse single-service towels.	6/8/2010
