## Routine Food Inspection

Reinspection #2

FAITH VENTURES LLC  
QUIZNOS  
10505 W BROWN DEER RD  
Milwaukee, WI 53224

December 26, 2007

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

**Fee Amount: \$156.00**

Code Number	Description of Violation	Correct By
4-501.11	The sink in the women's restroom is no longer secured to the wall. Secure the sink to the wall and caulk as needed to seal all gaps at the sink/wall junction.	01/02/2008
	The handsink in the back area is leaking from the faucet base. Repair/replace the handsink so that the faucet base no longer leaks.	
4-501.116	The sanitizer sink at the ware wash sinks did not contain the correct concentration of sanitizer. Provide test strips for testing the concentration of the sanitizer before sanitizing utensils/equipment. The concentration of quat ammonium is required to be at 200ppm. Ensure that the correct concentration is present before sanitizing.	01/02/2008

### Inspection Notes

Notes: No sanitizer available for use in the premise. Sanitizer must be present at all times. No sanitizer buckets set up and warewashing is being done without sanitizing. Employee was instructed to purchase bleach from the gas station next door for sanitizing. Provide appropriate test strips for testing sanitizer concentration.

The sink in the women's restroom needs to be repaired. Have the sink repaired and recaulked immediately. The men's restroom sink also needs to be recaulked.

Failure to comply may result in a municipal citation.
